Notice Regarding Revision of the Dividend Forecast and Interim Dividend

Marubeni Corporation (hereinafter, “the Company”) hereby announces that the Company resolved, at the Board of Directors’ Meeting held today, to revise the dividend forecast for the fiscal year ending March 31, 2024 (from April 1, 2023 to March 31, 2024) and to pay an interim dividend to shareholders of record on September 30, 2023 as follows. The Company’s Articles of Incorporation prescribe, pursuant to the provisions of Article 459, Section 1 of the Companies Act, that its Board of Directors is entitled to resolve and distribute surplus.

1. Revision of the annual dividend forecast

The Company has adopted a basic policy of paying dividends which states that the Company pays shareholders a stable dividend over the long term while increasing its dividends through its medium- and long-term profit growth. Reflecting the policy, for the period of the GC2024 Mid-Term Management Strategy (from the fiscal year ending March 31, 2023 to the fiscal year ending March 31, 2025), the Company adopts a progressive dividend policy, aiming to increase the annual dividend in response to medium- and long-term profit growth, initially setting 78.00 yen per share as an annual dividend.

As the Company announced Consolidated Financial Results For the Six-Month Period Ended September 30, 2023, the Company revised the forecast for profit attributable to owners of the parent for the fiscal year ending March 31, 2024 to 450.0 billion yen from the previous forecast of 420.0 billion yen. As a result, the Company has revised the annual dividend forecast per share for the fiscal year ending March 31, 2024 to 83.00 yen from the previous forecast of 78.00 yen in accordance with the aforementioned basic policy. In line with this, the Company revised the interim dividend and the year-end dividend forecast per share for the fiscal year ending March 31, 2024 to 41.50 yen from the previous forecast(announced on May 8, 2023) of 39.00 yen, respectively.
